

## Additional information for Egypt & Jordan Jewel with Nile Boat Cruise • Expat Explore

### Safety on Tour (Covid-19)

We will be adding a number of protocols to ensure the safety and protection of our passengers. While we already have health and safety measures in place on our coaches, travellers can expect the following:

1. Increased daily cleaning, thereby ensuring optimal coach hygiene. Seat rotation will be put on pause for now. Passengers will be expected to wear masks onboard and boarding procedures will be adjusted to allow for social distancing.
2. In-depth hygiene and health training for all crew members.
3. While on tour, the comfort and quality of our restaurants and accommodation will still remain, however, these will be vetted to ensure the increased hygiene standards are met.

For more information on our elevated health and safety protocols, please see our [How to Travel Safe](https://expatexplore.com/travel-safe-hygiene-tips/) (<https://expatexplore.com/travel-safe-hygiene-tips/>) page.
